

## B.1.2 Cuenta con clasificador por objeto del Gasto Armonizado

This image displays a grid of 24 small screenshots, arranged in 3 rows and 8 columns. Each screenshot shows a different view of data from the system, likely generated from the 'Reportes' menu. The data appears to be organized in tables with columns and rows, representing various financial or administrative records. The screenshots are arranged in a grid, showing different views or filters of the same data.
